Analysis of Students Satisfaction Survey (2022-2023)

For the academic year 2022-2023, students satisfaction survey was done. All these feedbacks were collected by using a five-point rating scale and analysed using self-developed php codes.

The student's feedback form consisted of questions that truly indicate their satisfaction level about the service rendered by the college and also their opinion about the syllabus. Given below are the conclusions obtained by analysing the student's feedback for the academic year 2022-2023.

- Most of the students (67.5 %) are satisfied with the availability of library resources.
- 59.9% students are satisfied with the drinking water facility of the college.
- 66.8% students are satisfied with the cleanliness of class rooms.
- 63.1% students are happy with the service of the canteen.
- Only 55.5% students are satisfied with the cleanliness of toilets. This issue should be addressed properly in order to improve the level of students' satisfaction.
- 66 % students are satisfied with the service of college office in matters related to administration.
